Reports have been received and read from the Monthly Meetings and the following summary adopted to be sent to the yearly Meeting.

The meetings for worship on first days are well attended in most meetings - those in the city being smaller in summer & in the country in winter. - but there seems to be usually a small attendance at meetings for discipline, which would seem to indicate in many members a want of deeper spiritual life and a lack of lively interest in the welfare

of the church. A young peoples meeting at Ashton has been held through the year with gratifying results. Encouraging work is reported in Bible Schools, Foreign Missions, Temperance and Peace. The occupation of the new meeting house in Washington is cause for thankfulness and has opened up new opportunities for service. The blessing of the Lord has rested on us during the year as indicated by the growth in grace of some of our members, yet we do not feel satisfied with our attainments and realize that we do not come up to the high standard we are called to. The presence of the Holy Spirit is felt, but it is a cause for regret that there is not more vocal expression in some of the meetings.
