The Conference Committee made the following report which was satisfactory to the Meeting.
To the Quarterly Meeting:

As a special Committee was appointed to arrange for meetings at the time Quarterly Meeting is held in Baltimore during this month, the Standing Committee on Conference made no separate arrangement for a Conference at this time. The report of the special Committee will doubtless give full information as to all meetings arranged for.

Signed on behalf of the Committee on Conference
Miles White, Jr.

We had very acceptably with us at this time Allen Jay a Minister of Indiana Yearly Meeting. By reports from the Monthly Meetings all the meetings for worship and discipline have been held except one for discipline omitted at Hopewell on account of inclement weather. The Young Peoples Meetings have been helpfully maintained in several of the meetings.

Three of the country meetings report having kept up their Bible Schools throughout the winter. One Meeting speaks of an increasing

attendance of non-members and acceptable help from visiting ministers. Two meetings speak of an active and live interest in the temperance cause. Baltimore tells of the great good resulting from work done for the Indians by the Rebecca Halstead fund and notes the addition to the Meeting of several Associate Members. Leer Creek reports that the Round Table has resumed its meetings at the homes of members, assembling one afternoon in each week.

Part of the Adverses were read.

The Meeting then concluded.
