The committee appointed to assist and advise Deer Creek Monthly Meeting, produced the following report, which is united with, they are continued, with the addition of Clarissa Fussell Jr, and Lacey E. King.

The joint Committee of Men & Women friends appointed by Baltimore Quarterly Meeting to advise and assist Deer Creek Monthly Meeting under a concern for the right support of our discipline and the good order of Society, agreed to Report, that a part of our number attended an adjourned Monthly Meeting of Deer Creek on the 11th inst. The business of the meeting was conducted to satisfaction, yet the tried situation in which these friends are placed, owing to the smallness of their number, claimed our sympathy and was cause of exercise. The Separatist continue to meet with them in their

meetings for Worship the unpleasant effect of which, is sensibly felt. to be subversive of good order, which our friends think it will be difficult to arrest, until testimonies of disownment are issued against them, which the Committee recommended them to proceed with, without further delay.

In view of the further services of the Committee being required, we are free to propose, that the Preparative & Monthly meetings of Deer Creek be changed, so as to meet one week earlier than they now do, to allow the Members of the Quarterly meeting, Committee to attend their own Monthly Meeting which they cannot now do, being held on the same day, which proposed change we submit to the consideration of the Quarterly meeting.

Signed on behalf of the Committee,

Joseph King Jr.
