

The following request from Hopewell Monthly Meeting in regard to granting an indulged Meeting to the family of Basil Pleasants, was united with, and is to be left under the care of a joint Committee of men and women friends, belonging to Hopewell and Baltimore Monthly Meetings.

The Committee appointed to visit the family of Basil Pleasants, near Poolsville, Md (within the compass of Goose Creek Preparative meeting) to take into consideration, and judge of the propriety of establishing a Friends meeting for worship near them, report they attended to the duties of their appointment — had a conference with the families collectively, and after a free interchange of sentiment, and weighty deliberation on the importance of the subject, unitedly concurred in the belief that it would be right, and they trust, to the encouragement

of the few Friends residing there, to grant their request, in the establishment of a meeting for worship among them.

The Com^{ee} therefore suggest that a meeting for worship be opened in a small house on the farm of William Henry Pleasants (the Quarterly Meeting concurring) to be held on first and fourth days of the week, at 11 o'clock A M, which is respectfully submitted, by
The Committee.
