

Meeting, noticed in the report from Deer Creek, which were omitted on account of indisposition, and the state of the roads - Unbecoming behaviour generally avoided - the hour of meeting nearly observed by all, except Baltimoreans, which states, it is not sufficiently observed by some friends.

2nd ans,

We believe most friends maintain love towards each other becoming our Christian profession - Tale-bearing and detraction are discouraged - And no differences known amongst us.

9th ans,

Friends are generally careful to deal with offenders seasonably and impartially, and to win to those who will not be reclaimed, the spirit of meekness and love before they are disowned.
