The 2nd and 4th Query unanswered
Queries were read and solemnly considered.

Answer to the 1st Query

Our meetings for worship and discipline have
been held and generally attended by most of
our members, except within the limits of
Hopkinton Mr. Moly. where the report states,
some of the midweek meetings have been omit-
ted owing to indisposition in some cases
and absence, or inability of members to attend
in others. Unbecoming behavior mostly
avoided - the hour of meeting generally
observed.

Answer to the 2nd Query

We believe friends maintain true towards
each other, becoming in Christian pro-
fession, self-bearing and detachment mostly.
