was adopted as nearly representing the state of this meeting at the present time.

Our beloved friend Deborah C. Thomas laid before this meeting a concern which had rested upon her mind with great weight for some time past, to visit in the love of the Gospel, some meetings within the compass of Phila. and New York yearly meetings, also to attend the yearly meeting to be opened in Canada, and to visit some whys within its limits. The meeting fully united with the concern, and she was encouraged to pursue her project, trusting in the Lord for strength. The Clerk was directed to unite with the Clerk of Penn's meeting in signing an endorsement to be placed upon the Minute granted her by the N. Mtg.

The United Minutes of the late yearly meeting were read.
