

Valiant Elizabeth A. Harland & Jane Morse.

The Representatives were all present. Our beloved friend Deborah C. Thomas informed this meeting that for years she had believed it would be right for her to visit ^{in person} the meetings in Great Britain and Ireland. Also to attend London and Dublin Yearly Meetings - and that now she felt the time had come to lay this important concern before her friends. She produced a minute from Baltimore Mr. Mtg. recommending her for the service. This meeting after a time of solemn deliberation fully united with the concern, and in thus sending forth our beloved friend we would adopt the language "May the Lord go with thee, and may He remain with us also." The clerk was directed to sign an endorsement to be placed upon the minute granted her by Bath Mr. Mtg.

Minute was read for William Green, Minister from Lisbon Mr. Mtg. of Friends Ireland, recommending him for service in America endorsed by a Quarterly Mtg. for the Province of Ulster with a minute from Dublin Yearly Mtg. of Ministers and Elders.

Other minutes were read for the following named friends - Richard Hackness a Minister from Helian Mr. Mtg. endorsed by Helian Quarterly Mtg. - Eliza H. Farney a Minister from West Lake Mr. Mtg. held at Bloomfield Province of Ontario, endorsed by West Lake Friends meeting. George M. Lister a Minister, companion for a time for Mr. Green, from Scipio Mr. Mtg. Levi P. Bowerman and his wife Mary S. Bowerman companions to Eliza H. Farney. - Amisa M. Putnam informed the meeting that she had a minute but was unable to bring it with her to the meeting this morning.

The company of all these dear friends was very acceptable to us.
