Sunday morning meetings are generally well attended, those in the middle of the week often small, particularly in the country.

Unbecoming behavior is avoided, the hour of meeting mostly observed, tho' one report mentions a deficiency.

2nd answer

We believe friends maintain love towards each other becoming in

Christian profession - False bearing and detraction are discouraged - We know of no differences amongst us.

3rd answer

We believe friends endeavor by example and precept to bring up their children and those under their care in the nurture and admonition of the Lord, and to some extent in the plainness of speech deportment and apparel which the Gospel enjoins - We believe they are guarded from reading pernicious books, and from the corrupt conversation of the world, and they are encouraged frequently to read the Holy Scriptures. There is more deficiency apparent with regard to plainness of speech deportment and apparel than the other points queried after, but we feel that a more earnest religious concern would be derivable in all the important requisitions of this inquiry
