

First day evening meetings are small. Difficulties met with under exact punctuality almost impossible. Unbecoming behavior is avoided.

2nd Ans. We believe Friends maintain love toward each other becoming our Christian profession. Talebearing and detraction are discouraged, No differences known among us.

10th Ans. When necessary offenders are dealt with and it is done in a spirit of meekness and love.

The minutes of the last meeting were read. The fourth unanswered query was read and seriously considered. An opportunity of united prayer followed the consideration of this searching query in which supplications were offered for our children, for those whom circumstances have prevented from sharing in the work and worship of the Church at this time. For weak and discouraged meetings and especially for those in tried and

responsible positions. The overshadowing of Divine love was felt and under His covering the meeting concluded.
