All our meetings for worship and discipline have been held. Those on first day morning are attended by most of our members, those in the evening and in the middle of the week are not so well attended. No bad coming behavior has been avoided.

2nd We believe Friends have lost one for another becoming our Christian possession (one report says most Friends) tale bearing & detraction are discouraged & no apparent difference.

10th When occasion requires care is taken to deal with offenders seasonably and impartially and in the spirit of meekness and love.
