who were present except 7 for the
absence of 6 of whom reasons were
given.

The following report was read & the
committee was released.

A committee was appointed by
Baltimore Quarterly Meeting held in
Baltimore 1/8 1898 to consider whether
it be advisable to ask the Monthly
Meetings to send reports of work done
during each of the quarters, except
the one preceding the Yearly Meeting,
or how otherwise to increase the
helpfulness and interest of the
Quarterly Meeting.

A meeting
of the committee was held & the
subject considered. No satisfac-
tory conclusions, however, were
reached and it did not appear
that the committee were prepared
to recommend the change proposed
or to offer any other suggestions
to the Quarterly Meeting.

In testif of truth -
A. Morris Cary.
