

The 1st, 2nd & 10th Series were read with the answers from the Monthly Meeting. The following summary answers adopted.

Aug. 1. All our meetings for worship and discipline have been held except one omitted on account of a series of meetings in the neighborhood. Those on Sundays are attended by most of our members, but the mid-week meetings are neglected by some, & greater punctuality in some places is desirable. Friends avoid unbecoming behavior ^{therein} with slight exception in our report -

Aug. 2. We believe that Friends have love towards each other in accordance with our Christian profession. Our report says most Friends. Talk bearing & detraction are discouraged. When differences arise endeavors are used to speedily end them.

Aug 10. When occasion requires care is taken to deal with offenders seasonably and impartially and in the spirit of meekness & love. Our report says usually.

The following report was read and committee released.
