Ans. 2. In the exercise of our gifts we believe that we are careful to wait for act under the ability which God giveth and that we are sound in the doctrines of the Christian religion.

Ans 3. We are in unity one with another, and with the Meetings to which we belong, endeavoring to manifest a religious Concern for the advancement of truth and the support of our discipline.

Our attention was called to the need for greater individual faithfulness on the part of all the Members of this Meeting, each looking to the Lord for guidance as to what service he would have us engage in, and then for ability to perform this service to his glory and to the help of others, in bringing them to a knowledge of the truth.

The communication received at our last Quarterly Meeting from Baltimore Monthly Meeting in regard to acknowledging that a gift in the Ministry had been committed to Robert B. Warder, which was referred to this Meeting for further consideration, now claimed the attention of the Meeting.
