The Committee appointed produced the following report
which was read considered and concurred with —

"To Baltimore Monthly meeting."

We the Committee have had a conference on the sub-
ject, of the Library, and have agreed to propose
that it be opened at the dwelling house of William
Riley in East street, and for him to act as Librarian
for the present, and it is our mind it will not be best
for us to prepare a constitution, but that a few suit-
able friends be appointed by the monthly meeting
to superintend it, and for them ^{to form} such rules & regulations
as may from time to time appear necessary which we
submit to the meeting. —

"Signed on Behalf of the Committee"

Gerard J. Hopkins
