The communication, produced to last meeting from
the monthly meeting of Baltimore for the Western
District, proposing that this meeting should unite
with that in an application, to the Quarterly meeting
for its assistance in a difficult case, being now again

read and considered, it was unitedly concluded
that in as much, as this meeting knows of no difficulty
requiring such an application, from th, it cannot
consistently unite in such a request, the clerk was directed to
transmit, a copy of this minute to that meeting sign-
ed on behalf of this. —

— 14th of the 1th month 1810. —

The following communication was produced to last
meeting, being now considered, William Brown,
William Husband, Ely Balderston, & John McIlm,
were appointed to attend the Committee on behalf of this
meeting and report when in readiness. —

The Committee appointed by the Quarterly meeting
to take into consideration, the case brought up by the
monthly meeting of Baltimore for the Western District
relative to Property in the eastern end of this City,
having appointed to meet at the meeting house in
that Western District, at the fifth hour on Seventh
day, Preceding our next Quarterly meeting. This in-
formation is given in order that friends of your meet-
ing may have an opportunity of appointing some of
their members to attend the committee if they believe
it necessary. —
