

66 of this meeting — King, —

The following report from the committee appointed on the request from Baltimore Quarterly Meeting was read and concurred with; and the Clerk directed to furnish that meeting with a copy thereof and also of this minute.

"To the Yearly Meeting now sitting"

We of the committee appointed on the case brought up from Baltimore Quarter, have conferred with the committee appointed by that Quarter, & examined the minute of last Yearly Meeting. — We are united in judgment that the two monthly meetings in Baltimore are, entitled to equal rights and privileges, in the buying ground and any addition, that may be found necessary to be made thereto. so long as the friends of the Western monthly meeting, choose to occupy the same as a buying place, during which time the said Western monthly meeting, is to pay a fair proportion of the expense, of repairs which are to be made by the joint consent of both meetings — all which we submit to the meeting.

And while we believe in the regular order of society, and the propriety of submitting to the conclusion of superior meetings, we are also impressed with a belief, that the principle of right has not become changed by the said explanation, and as this meeting has not had the opportunity of being so fully heard on the subject as we apprehend the nature of the case required. — we regret that we cannot unite in giving our assent thereto, believing that if the subject was clearly investigated, a different construction would be placed, on the original conclusion of the yearly meeting
