to the monthly meeting for the Eastern District.

In the year 1814 the Yearly meeting accepted a
Report from a Committee appointed on the subject
wherein they state, that at the time the division of
Baltimore monthly meeting took place, or at any time
since, no particular monthly meeting had or could have
consisted with the original title, any exclusive right
in the property at the eastern end of the City held by
but that a law had been passed which had in some res-
pect changed the title of said property, giving to the
monthly meeting of the Eastern District a right not
contemplated by the original Conveyances - That
they be directed to place the title of said property on
the same footing that it was previous to the enactment
of said Law -

At the time that the monthly meeting for the
Eastern District was engaged in a compliance of the
