

In the 11th M^o 1810 The monthly meeting of "Baltimore" for the Eastern District, received through the Quarterly Meeting the following copy of the conclusion of the Yearly Meeting which was entered on their records. —

"To the Yearly meeting now sitting"

"We the Committee appointed to state the case brought forward in the report from Baltimore Quarterly Meeting, and also to report our judgement thereon, having twice met, received and examined all the papers and documents relative thereto which was produced to us. It appears that a difficulty has arisen between the
