The following communication was produced.

To the monthly meeting of Baltimore for the Eastern District

Dear Friends Information was given to this meeting in the first month last, that a Law had been enacted by the General Assembly of Maryland at their last session, affecting the interests of this meeting in the Burying ground at the east end of the city, whereupon the committee appointed to superintend funerals and have the charge of the Burying ground were directed to enquire into the circumstance thereof, who produced the following report to this meeting. Viz. "We the committee appointed to superintend

"funerals are to have the charge of the Burying ground at the East end of the
"city, think it right to inform the monthly meeting — That we apprehend our
"interests in that Burying ground may be affected by an act of the late Assembly
"of this state, which Friends of the Eastern District have obtained, vesting in that
"meeting alone the right of appointing Trustees, and which also confirms an
"inter change they have already made of the present trustees, by acknowledging
"and authorising new ones, nominated by that meeting, We are therefore free
"to propose, whether, it may not be proper, to request from that meeting, correct
"copies of all their minutes and Proceedings relating to the subject, since the
"late decision of the Yearly meeting thereon, together, with their Petition to the
"Assembly, and the Law obtained in consequence; and also a copy of the minutes
"and Proceedings of Baltimore monthly meeting, appointing Gerrard T. Hopkins
"and others Trustees in the year Eighteen Hundred — which we submit to the
"meeting —

"William Riley
"Isaac Procter
"Amos James
"Samuel G. Jones

Which claiming the solid consideration of this meeting the Clerk was directed to request the information therein mentioned. Extracted from the Minutes of the monthly meeting of Baltimore for the Eastern District the 10 day of the 3^d month 1813 and signed by our clerk
