to it, we believe that this meeting has proceeded agree-
ably to discipline & the established order of society,
that we consider it unnecessary here to notice the single
or remarks & suggestions, in the said Communication,
but apprehend it will be right to request of the Quarterly
meeting, a full & impartial hearing on the subject, & in
order that it may be furnished with the necessary in-
formation, we are free to propose, that the Clerk be di-
rected to prepare copies of all the Title papers, mi-
nutes & documents approved by the meeting respect-
ing it, with the summed narrative, the latter of which
to constitute a part of our report to the Quarter —

That a Committee be appointed to attend therewith,
under a hope that the Quarterly meeting may be en-
abled to rightly decide on this trying & unpleasant
subject —

With submission to the meeting —

To the Evening Quarterly meeting — 8B

In consequence of a ^{lengthy} ~~minute~~ ^{minute} Communication received from
the monthly meeting of Baltimore for the western District,
held on the 9th Ultimo, ^{accompanied with a long & very narrative} ~~accompanied with a lengthy nar-~~
~~ration~~ of the circumstance of the property belonging to
^{this monthly meeting} ~~friends~~ situate in the eastern part of this City, prepar-
ed to be laid before the ~~evening~~ Quarterly meeting —
the Tenor of which may have a tendency to introduce
unfavorable impressions on the minds of those not ac-
quainted with the real merits of the case & the trans-
actions of this meeting respecting it — we therefore
consider it necessary (as we are implicated in said ^{Communication} ~~pro-~~
~~duction~~) to briefly state to the Quarterly meeting the
following ^{information} ~~facts~~ relative to the said property & the re-
asons which we believe have given rise to their dispo-
sition ^{being} in addition to the copies of the minutes, &
proceedings of the meeting in the case, & Title papers
of the said property accompanying —

About the year 1773 ~~the~~ few friends who resided in
Baltimore Town, from the remote situation of Peters-
see meeting house & the uncomfortable state of the
Building, were motives that induced the propriety of
