

22 We have visited Gerard Cowman, but to little satis-
faction, as he disclaims having any connection with the
society, or that the meeting have any authority to treat
with him as a member

He is not disposed to receive any further visits on the
subject. C. M. 28th 1832—

We have visited Philip Snowden Sen^r, Samuel Cow-
man, Joseph Cowman, Samuel C. Snowden, Richard
Hopkins & Samuel Hopkins & they all acknowledge
their connection with the Separatists, & are disposed
to continue with them—

We are therefore of the opinion, that further labour
with them on that account would not be useful—

Which we submit to the meeting—
