

At Indian Spring Preparative Meeting (in unity with
in which men & women were united)
the ancient Yearly Meetings of Friends held
the 31st day of the 4th month 1833 in Washington
Andrew Scholfield was appointed Clerk for the day
and Maria Hosier also appointed representatives to attend
the ensuing monthly meeting.

The subject of discontinuing this branch (the Washington city
of the Indian Spring Preparative Meeting has rested on
our minds for a considerable period, arising out of
our very reduced number & the uncertainty of the
continuance of the small remnant left, & has induced
a fear least the dignity of Truth may sustain injury.
Upon sober feeling after right direction on the
subject, we are united in the belief that it would
promote the best interests of Society if friends
constituting the aforesaid Meeting should hereafter
meet exclusively at Indian Spring in place of
alternately meeting there & in this City
women for, concerning The Clerks were directed to transmit

to Baltimore Monthly Meeting for the Eastern & Western Districts
a Copy of this Minute in our Report.

Thomas Levering requests a Certificate of Removal
