First, All our Meetings for worship and discipline have been held, and  
attended by most of our members who have not since in the Separation  
But a kindness in the attendance of those on first day afternoon and  
week days is apparent, Unbecoming behaviour there generally  
suppressed and the hour of Meeting nearly observed.

Second, Friends generally are careful to maintain love towards each-  
other becoming, per Christian profession. Labeling and attraction are  
discouraged, and when differences appear care is taken to end them.

Third, Most Friends endeavour by example and precept to educate  
their children and those under their care in plainness of speech deportment  
and apparel, to guard them against reading pernicious books and  
from the corrupt conversation of the world, and they are encouraged  
frequently to read the Holy Scriptures;

Fourth, Our Testimony against Distilled & fermented Liquors as far  
as appears is generally maintained; frequently Taverns & places of  
diversion mostly avoided, Moderation and temperance are  
generally observed;

Fifth, The necessities of the Poor and the circumstances of those  
likely to require aid are inspected and relief afforded. Attention  
is paid to the further requisitions of the Quere when occasions  
require;
