To Baltimore Monthly Meeting for the Eastern
and Western Districts.

At a Monthly Meeting of Friends held at White-
water, Pa. 27th of 4th Mo. 1836.

The committee appointed to treat with
Ephraim Foulke, and William Foulke, report, that
they have not been able to find such an individual,
as Ephraim Foulke, that they have had an op-
portunity with William Robert Foulke, and that
they believed him not to be in a suitable disposition
of mind to make satisfaction for his deviations; which
information the Clerk is directed to communicate
to Baltimore Monthly Meeting for the Eastern and
Western districts. — Taken from the Minutes of the
Meeting aforesaid, (Stephen May Correspondent) Isaac Platt Clerk.
