We have received from the Executors of our late beloved friend Nicholas Popplein, One thousand Dollars, devised to us in trust, as will appear by the annexed extract from his last Will and Testament. The said Legacy has been invested in Forty two Shares of the Capital Stock of the Franklin Bank of Baltimore, as ℘ statement below, and which Stock now stands in our Names, - "In trust for the use and benefit of the Society of Friends at the Meeting House in Courtland Street, Baltimore - the Interest, or dividends, to be applied if necessary, to the relief of the Poor of said Meeting". And as the Monthly Meeting has a standing Committee for the care and relief of the Poor who are authorised to draw on the Treasurer for such Funds as may be necessary for that purpose, we would suggest that the Dividends as they accrue, be paid to the Treasurer of the Monthly Meeting.

Baltimore 5 Month 29th 1838.
