Dear Friends,

At Copers Creek Monthly meeting of
Friends in the State of Ohio, held 10th Mo 25th 1838.

We were appointed to inform your meeting
that we have complied with the request contained
in your communication of the 5th Mo last
in Joshua Canby's case, and the result of our labors
has been that He does not incline to make any sa-
tisfaction for His transgression.

Signed on behalf of the Monthly meeting
