

At Baltimore Preparative Meeting for the Eastern & Western Districts in Unity with the ancient yearly Meeting of Friends held the 28th of the 5th mo. 1885. The 1st 2nd & 3rd Queries were read in this meeting & the following answers agreed on to be forwarded in our report to the Monthly Meeting to attend which as our Representatives Mr. Teas and Geo. Williamson are appointed.

1st Answer. All our Meetings for worship and Discipline have been held and generally attended on first day mornings by most of our Members: those on the afternoon and week days continue to be neglected by some; unbecoming behaviour when assembled generally avoided and the hour of Meeting mostly observed.

2nd Answer We believe Friends maintain Love towards each other becoming our Christian profession & forbearing and detraction are discouraged and we know of no differences amongst us.

3rd Answer Endeavours are used to deal with offenders in the manner recommended.

Amos Gillingham - Edward Gillingham - William Morgan - William Starr - William Trego - and John Emerson Lamb - have severally had their marriage accomplished contrary to the order of our religious Society and have almost wholly neglected the attendance of our Meetings: The last named individual has removed and settled within the limits of Sun-pow-der Monthly Meeting.
