

6 Easton 3^d Mo. 31st. 1830.

Respected friend
Hugh Balderson

Thou wilt perceive by looking at the
inclosed, that they were directed to be forwarded to
Baltimore Monthly meeting -

I could not ascertain who the Clerks
of the meetings are & I have taken the liberty of inclosing
them to thee with a request that thou wilt be pleased
to hand them to the Clerks to be laid before the next
meeting -

It is cause of regret that we have to
trouble our friends or increase the burthens they have
themselves to bear but necessity compels the measure
& is our excuse -

With respect & esteem

Thy friend

Thos. J. Dawson
