

2^d Answer. A considerable number of Friends maintain love towards each other, becoming our Christian profession. Tale bearing and detraction are mostly discouraged, and with the exception in the answer to the first query, we know of no differences amongst us.

9th Answer. A concern rests on the minds of Friends in relation to the requisitions of this Query, but way has not yet opened to treat with those who have ^{separation} ~~with drawn~~ from connection and fellowship with the Society.
