

23A

It appears by a reference to the minutes
and proceedings of the Quarterly Meeting in
connection with the Committee appointed
by the Yearly Meeting, that no minute has heretofore
been made in the Quarter, in relation to the
Members of the Late Africanian Monthly Meeting
who have not acknowledged unity with us,

We therefore propose that they be considered
accountable to and under the Care of Indian
Spring Preparative & Baltimore Monthly Meeting
for the Eastern & Western Districts;

Signed on behalf of the Committee
