And then Concluded

James Carey Jr
Clerk

At Baltimore Monthly Meeting of Friends for
the Eastern & Western Districts held fourth Month 5th
1888, three overseers present

The Committee appointed at the last meeting to
Consider the interests of the Children under the pro-
visions of the Discipline made the following report
which was approved and the Committee released -

Report of Committee appointed 3rd Mo 8th 1888
to Consider the interests of our Children

We have seriously and carefully considered
the subject referred to us. We are united in be-
lieving that the Concern is an important one
which should not be neglected by the Church.

In view of the organized efforts made in that
direction through our Bible Schools and Children's
Meetings, we think additional labor may best
be left to individuals who feel their hearts
especially drawn to this work, rather than to
the care of a Committee - We also think that the
Meeting Collectively and individually should
heartily encourage all who are engaged in
this service - On behalf of the Committee
