

St. Baltimore Monthly Meeting of Friends for the
Eastern and Western Districts. held 6th mo 7th 1888

Your overseers present

Francis I. King on behalf of the Trustees of the Meeting
reported that by the Charter of the Colored School for
whose benefit the old meeting house property on
Courtland & Saratoga Sts is held, the funds of the school
could not be alienated from the benefit of the colored
people and that it would not therefore be necessary
or wise to make any further restrictions in the deed
which they were desired to execute - The report of
the Trustees was ^{unanimously} adopted and they were directed to ex-
ecute the desired deed without such restrictions

The following report of the School Committee was
read

Baltimore 5th mo 1st 1888

To Baltimore Monthly Meeting of Friends

Dear Friends

At the time of the appoint-
ment of the present School Committee in 5th mo. 1886
there was not enough money in the treasury to pay
the taxes, owing to the low rent received for several
years previous, and the heavy assessments for re-
pairing Culam Street and the cost of the new stone
wall forming the physical Laboratory of the University

Since then the University has returned two, half the
cost of the wall, and a rental of \$800 per annum
has been paid by the Bryn Mawr School for the
building, so that we are now in a better condition
financially than ever before and have been able
to assist in the education of two of our members
whom it seemed desirable to send to Westtown -

The School house caught fire in the cellar on
the evening of the 13th of 3rd mo last and the damage
resulting was estimated at \$389.99. The necessary
repairs were made at the expense of the Baltimore
Equitable Ins Co. in a manner entirely satisfactory
to us and to the tenants

The following is a summary of the receipts and pay-
ments for the past two years.
