The following report of the Trustees, relating

to the property and finances of the Meeting was read and accepted and the various recommendations therein were approved and directed to be Carried out by them

Report of the Trustees,

To Baltimore Monthly Meeting of Friends - Baltimore 4th Mo 8th 1889

Dear Friends

Our last report was dated 4th Month 1st 1888 - In the following Month we received a legacy of $1000. - from the Estate of our late dear friend Mary King Warden, the interest of which is to be used in Carrying on the work of Friends Mission at Federal Hill. Believing that no better investments of the legacy Can be found than in Clearing off the indebtedness on the houses already built on the property we paid off the $800 that had been borrowed to Complete them, and propose to use the balance in erecting a retaining wall and fence where it is much needed, so that the entire legacy may be duly invested in the property -

The amount of the Schofield Fund with accrued interest which was invested in the five houses already referred to, was $2823 50/100 - For Convenience in Calculation we propose to the Monthly Meeting
