

them of practical service (for purposes of reference). The Committee was continued and was authorized to procure the book case as desired and to draw on the Treasurer the amount needed therefor.

In accordance with a minute of last monthly Meeting requesting the same, the Association for Christian Work presented the following report of its work which was accepted.

In accordance with the Minutes of Baltimore Monthly Meeting, adopted in Irish Month, the Association for Christian Work presents the following report of its work.

The membership of the Association is made up of those who are interested in the kind of work undertaken and all our members are urged to join and attend the meetings. Each branch of the work is in charge of a Committee, composed of those who are active in carrying it on and the Chairmen of these different Committees form an Executive Committee, having charge of the finances and much work of detail. Much of our work is

carried on in the building known as Friend Gospel Mission, on Light Street in South Baltimore.

The branches of the work are as follows:-

Boys Meeting, a Bible School for boys, held on Friday day afternoons from 4 to 5 o'clock, having about 130 scholars and 18 teachers or officers of whom 9 are members of this Monthly Meeting.

Sewing School for Girls, held on Sunday day mornings, having about 150 scholars and 19 teachers, besides an overflow room where about 50 scholars receive oral instruction while waiting admission to the regular school, where religious teaching is combined with instruction in sewing.

Mothers Meeting, held one afternoon in each week, with an average attendance of about 60, religious teaching being a prominent feature of the work while the women are given the opportunity to purchase garments at a low price, upon which they have done the sewing.

Household School, held two afternoons in the week with an attendance varying from 40 to 60, two regular teachers being assisted occasionally by two or three others. In this school the girls
