

At Baltimore Monthly Meeting of Friends for
the Eastern and Western Districts, held by adjourn-
ment 3rd month 12th 1890

The Committee appointed with regard to the Meeting-
house library was continued

The members of the Pastoral Committee of this meeting
presented the following report of the work done un-
der the auspices of this ^{Pastoral} Committee during the past
three months, within the limits of this Monthly Meeting,
which was very acceptable to the meeting—

To Baltimore Monthly Meeting

The Pastoral Committee submit the
following report embracing the period since 11th Mo 1
1889— In Baltimore Meeting

There has been a slightly
increased attendance at First Day Evening Meetings
and possibly on Fifth days—No material difference
noticed in those on First Day Mornings—An
increased interest is observable in our Meetings,
all of which have been very satisfactory and we
believe profitable to those who have attended—
Occasional Childrens Meetings have been held
with satisfactory attendance and interest—

A number of visits have been made by those of
our members who have been unable to attend Meeting
on account of age or sickness, and letters have
been written to several of our absent members
expressing our continued interest in them as
fellow members, and making inquiry in regard
to their present experience and feelings; some
of whom have replied, expressing their
gratification at the interest thus manifested
in them and their continued attachment to the Society.
At Federac Hill—

The usual religious meetings have been regu-
larly ~~held~~ maintained as in previous years,
namely two on First Day and one on Fifth
Day, with an attendance ranging from about
thirty on Fifth Day Evening to about seventy
on First Day Evening—while the numbers are
not larger than formerly there appears to be a
decided growth in religious life and strength
of character—within the last few weeks there
has been an evident work of the Spirit upon
the young people and children—a number
of them have accepted Christ as their Saviour and manifested
