

Report of
Cooperating
Pastoral
Committee.

to be entered upon our list of members - our Clerks were directed to inform them of this action

The following satisfactory report was made by the Committee of this Meeting to Cooperate with the Yearly Meetings Committee on Pastoral Care

To Baltimore Monthly Meeting of Friends

The Pastoral Committee of this Meeting appointed to Cooperate with the Yearly Meetings Committee hereby submits the following report.

At Baltimore Meeting, Calow Street, the attendance on First Day Morning and on Fifth Day has been usually very satisfactory and many of the meetings have been occasions of especial interest and blessing to those who were present. The First Day Evening meetings have been small notwithstanding repeated exhortations to our members to be more faithful in their attendance.

The meeting in South Baltimore, or Federal Hill Meeting is apparently in a healthy condition, the attendance being good and the interest in the meetings quite general, with a noticeable improvement in the development on the part of several of the members in the exercise of gifts -

The Cent Anniversary of the occupation of their present building occurred about two weeks ago and was an occasion of much interest -

We are unable to report definitely in regard to the Washington Meeting, beyond the fact that the meeting is held as usual and the attendance though still quite small is somewhat larger than it has previously been -

The Meeting at Bensonsville seems to be in an encouraging condition and those of our members who have visited Friends there from time to time are very hopeful as to its future growth and prosperity.

The Meeting at Latta has been held regularly with a small attendance, but so far as we are informed has not been visited by any ~~member~~ members of this Committee since our last report.

By direction and on behalf of the Committee.
