To Baltimore Monthly Meeting:

Dear Friends:

The Members of the Committee to take measures for the increase of the attendance of our First Day Evening Meetings have had several conferences and have begun their work. Thus far they feel encouraged at the result of their efforts and ask to be continued for further service - as they need funds for the purpose they ask for liberty to spend \$15. They hope that as efforts are made to bring those who are not Friends to attend these meetings our own members will feel drawn to attend and by hearty co-operation keep forward the work. On behalf of the Committee -

Richard H. Thomas.

The Committee was continued and the appropriation of \$15 was made as desired - The Committee was authorized to draw on the Treasurer for this amount.

To Baltimore Monthly Meeting:

The Committee to consider the subject of providing increased accommodations at the Meeting House reports that it does not seem advisable to go to much expense in alterations & additions. The Committee suggests that endeavors be made to obtain the use of a room or rooms in the immediate vicinity of the Meeting House during Yearly Meeting week, if any suitable can be found.

On behalf of the Committee

The matter of the claim of this Meeting against the Estate of Ann Elizabeth Hopkins was brought before this Meeting and after some consideration was referred to the Trustees of the Meeting to take such action in the premises as they might deem best.
