need further aid next Fall and one or others
are under consideration.

In referring to the letter of Thomas Wilson con-
veying his gift of the school house to the Monthly
Meeting we think that there can be no doubt that
his purpose was to establish a school in con-
nection with the Meeting and that this purpose
should be kept in view, while at the same time
and should be extended towards the education
of such young people as may need it within
the limits of Baltimore Monthly Meeting, as they
were at the time of the gift & have been since
extended.

On behalf of the Committee.
