

has been held regularly on First Days (following the Bible Class) at the usual time and place also on 5th Day Evenings, with a business meeting each quarter - Mission Meetings have been held (beginning on 10th Mo last) each second day evening at 312 K Street etc. while the attendance is small and irregular we are encouraged to persevere - Some of our members have Bible School Classes elsewhere - The Company and Services of Oliver White for some months past has been helpful and acceptable - In accordance with Counsel received from two Committees of the Yearly Meeting a basis provided for weekly contributions for the Oshima Mission field; for the General Foreign Mission Fund and for Home Missions. This plan has been satisfactory during the past quarter - A part of the receipts has been expended for Bibles and tracts for distribution as needed.

Report of the following report of the Trustees was received - To Baltimore Monthly Meeting of Friends
The Trustees refer to the Treasurers report to the Monthly Meeting in First Month last for a financial statement for 1894 of the different funds under their care -
There has been no change in circumstances - The school building which had been rented to the Johns Hopkins University was fired up by it last summer and is still vacant but there is some prospect just now of finding a tenant -

There being a vacancy in the Board of Trustees occasioned by the death of James Carey, the attention of the Monthly Meeting is called to the fact that the act of Incorporation requires that such a vacancy be filled by the Male Members of the Monthly Meeting above the age of 21 years at one of their regular meetings -
