

Interview.

We have had an ~~opportunity~~ with Samuel Riley
but not to that satisfaction as could be desired—
nevertheless, he expresses an anxious desire to
retain his right in society & to live more con-
sistent with the principles professed by friends & re-
quest their indulgence with him some time
longer, which we submit to the meeting—

The Committee have agreed to report that they have
visited John P. Sinclair, and Isaac Dixon on account of the
charges brought against them, but they evinced no disposition
to make satisfaction for their deviation, and we are of opinion
that any further labor with them would be unavailing.

We are not yet prepared to report respecting the other
individuals named in the Minute of the Monthly Meeting.
