

The Joint Committee of Men & Women friends
 appointed by the Monthly meeting to consider
 the subject of neglect in the attendance of our
 meetings have at different times conferred
 together upon comparing their respective views
 & exchanging their sentiments thereon
 they have felt the subject to be of that
 importance & interest as regards the welfare
 of society at large as to require a deliberate
 & circumspect movement therein:

The Committee are generally united in judgment
 that it would be best to propose for the
 consideration of the meeting the
 appointment of a Joint Committee of
 Men & Women friends to visit as may
 may open in Gospel Love & endeavour
 to excite in the minds of those who have
 hitherto been remiss ^{their obligation to} a more diligent
 attendance of our meetings for worship
 & discipline - which we submit to
 the meeting: Signed on behalf of the Committee
 Jan 5th 1835.
