

To the Monthly Meeting

52

We have not received any reply from Samuel
Riley, & there appears no encouragement for a
continuation of his case.

We are therefore of the opinion, from the dis-
position manifested, & his disregard of the prin-
ciple & good order of the society, that he is not
entitled to a right of membership therein.

Which we submit to the Meeting.
Baltimore 8 Mo. 9th 1837.
