

The Committee appointed to collect money for the use of the Man they electing having had in view the expenses of the late improvements in the Yard & still further deemed necessary Report that they have obtained the sum of 384 £ which they have placed with the Treasurer, whose account they have examined, for his payments they have found the requisite vouchers, The balance now in his hands is 317. 50 1/2^{cs}

Signed on behalf of the

Committee

To the Monthly Meeting
of friends.

Jos. Townsend

Joseph King Jr

Balta Decr 30. 1837

We have received a letter from Henry Sims - which furnishes but little satisfaction, as he manifests no desire to continue his right in membership with friends - His residence is distant from any of their meetings -

Our opinion is, that further labor with him on the occasion will not be necessary -

Which we submit to the meeting -

Jos. Townsend
