

We have visited Robert Coenthwaite of Wm on account of his
leaving another Religious Society. Having accomplished his
purpose contrary to the good order established among Friends.

We see that manifest any disposition to resign with his
present connection, or to retain his right of membership with us,
I see apprehend further labour with him will be unnecessary.
which we submit to the Meeting

The Committee appointed in connection with
the concerns to visit those of our members who
have been in the separation from Communion
Fellowship with our religious society Report
that we have visited John Dawson, Richard
Lick, Dick's Harris, Philip E. Gorge and
James Gillingham and that manifest no
disposition to withdraw from their present
connections & make satisfaction to Friends.
we therefore are of the mind that further
labour in these cases would not be useful
