

The friends appointed to deliver the testimonies of disownment produced at our last ^{monthly} meeting, informed they had attended to their appointment.

The friends appointed to unite with men friends in preparing testimonies of disownment against Sarah Matthews and others produced them, they were read ^{and decided to be signed} and approved, being as follows, the same friends were continued to proceed as our discipline directs in each case respectively viz. Sarah Matthews Elizabeth Trumble Elizabeth Chandle Mary Jones and Mary Dewarport and report their care to next meeting.

Sarah Matthews has so far departed from the good order of our religious society as to associate herself with those who have separated from communion with the ancient society of friends - she has neglected the attendance of our religious meetings and is in connection with meetings not acknowledged by our yearly meeting thus identifying ^{herself} with the seceders and evidencing unity with their principles, she having been visited on the occasion and manifesting no disposition to retain her right of membership. We therefore disown her from being any longer a member of our religious society.

The Committee appointed to visit Margaret Tyson and others produced the following report which was read and united with, they are continued to join with men friends in preparing testimonies of disownment against them if they should see no cause to forbear and produce them to next meeting.

We of the Committee appointed to visit Margaret Tyson Patience Tyson Catharine M Smith Mary Jones and Mary Balderson report, we have attended to our appointment and have had interviews with all except Patience Tyson and Mary Balderson who declined an opportunity with us, and that no disposition appears in either of them to make satisfaction to the Meeting. we are of opinion that further labour in their cases would not be availing, which we submit to the Meeting.
