At Baltimore Monthly Meeting of Women friends for the Eastern and Western Districts in unity with the ancient Yearly Meetings of friends held the 15th of the 11th Month 1831

Representatives to the Monthly Meeting present.

The friends appointed to deliver the testimonies of disownment offered to our last Monthly Meeting reported that they had attended to the service.

The friends appointed to prepare a testimony of disownment against Margaret Richardson not having one in readiness are continued to the service.

The Committee appointed to unite with men friends in preparing testimonies of disownment against Lydia Lovegrove, Mary Gray, Margaret Towel, Mary James,

and Hannah Stalack, produced them, a transcript being read they were approved, and directed to be signed being as follows, they are continued to proceed according to discipline in each case respectively, and report their care to a future Meeting.

Lydia Lovegrove has so far departed from the good order of our religious society as to associate herself with those who have separated from communion with the Ancient Society of friends, she has neglected the attendance of our religious meetings, and is in connection with meetings not acknowledged by our Yearly Meeting, thus identifying herself with the seceders and evidencing unity with their principles, Having been visited and manifesting no disposition to condemn her deviation! We therefore disown her from membership with us! Signed by direction and on behalf of Baltimore Monthly Meeting for the Eastern and Western Districts in unity with the Ancient Yearly Meetings of friends held the 16th of the 11th Month 1831

Grace S Hopkins Clerk

The Committee appointed to treat with Mary Jones reported they had visited her and that she evidenced no disposition to condemn the steps she had taken, the Meeting uniting in judgement that further labour would not be useful the same friends are continued to inform Wilmington Monthly Meeting thereof.

The friend appointed to inform Priscilla Jones of the acceptance of her offering reported the
