

Ellicott and others reported the service performed.

The friends appointed informed that about last Monthly Meeting had been addressed in the case of John Neal.

The Committee appointed to unite with men friends in preparing testimonies of disavowment against Mary Clap, Elizabeth Bailey, and Catharine Ware presented them; one being read they were approved and directed to be signed, being as follows. They are continued to hand copies thereof to each one respectively and report their case to next meeting.

Mary Clap has so far departed from the good order of our religious society as to associate herself with those who have separated from communion with the ancient society of friends. She has neglected the attendance of our religious meetings, and is in connection with Meetings not acknowledged by our yearly Meeting; thus identifying herself with the seceders and excommunicating unity with their principles. She having been visited and manifesting no disposition to condemn her deviation; We therefore disown her from membership with us.
