

The following report was read and accepted.

To Baltimore Monthly Meeting of Friends.

Your Committee on Indian Missions would report that after very careful consideration and consultation with one of the members of the "Associated Executive Committee of Friends on Indian Affairs" we decided to co-operate with the above committee and appropriated \$275.00 for the year 1897. And a superintendent has been put in charge of the work among the Iowa Indians.

We have received regular monthly reports of his work, which have been very encouraging, and the results so far have exceeded our expectations.

Signed on behalf of the Committee
