

The committee appointed in Tenth month last to consider the question of the best way to interest our members in reading the Discipline, made the following report which was approved. The same committee was continued to arrange for holding such meetings, and report to a future meeting.

To Baltimore Monthly Meeting of Friends.

The committee appointed to advise what, if any, action shall be taken to carry out the concern of the Quarterly Meeting in regard to members reading the Discipline reports - that the last edition of the Discipline is exhausted, and consequently members not supplied with copies cannot now procure them. It is therefore recommended that the Monthly Meeting appoint two meetings to be held under the auspices of either the Association for Christian Work, or of a special committee of the Monthly Meeting, at which informal talks upon the Discipline be given by suitable persons, and that a notice thereof be sent to each member and attender of the Meeting requesting their at-

tendance, and suggesting that previously thereto they read the Discipline, and offering to loan a copy to such members as have none.

The following are suggested as desirable subjects to be treated of during the informal talks. viz -

1st. The object and origin of the Discipline.

2nd. The growth and development of the Discipline.

Signed on behalf of the committee.
